### POLKA™

There are roses that simply stop you in your tracks like a favorite song, an incredible musical, a unforgettable artist, or a genre of music that stands the test of time. It's no wonder when horticulturists create such a rose they often find the perfect name in music. Not only do these roses stand out in a crowd, they make marketing easy. Making fun displays at garden centers, easy music videos on social media and eye catching advertising. The iconic names are easy to remember, and often the ones most asked for by customers.

*To find these extraordinary roses look for the music note icon throughout this catalog!*

The festive yellows and reds swirl in profusion with orange-edged blooms that emerge from bright yellow buds.

## SECRET'S OUT!™

PP 21373

A new, pure white twist on Secret™, this one's got a spicy fragrance!

## SCEPTER'D ISLE™

This pretty rose bears numerous cupped flowers with a powerful myrrh fragrance.

## SWEET MADEMOISELLE™

PP 28659

This fragrant beauty boasts excellent disease resistance and large, full, double blooms that are unique in color.

## TRANQUILLITY

PP 25063

Beautifully rounded flowers, with neatly placed petals making up perfect rosettes.

## SUNBELT® PLUM PERFECT™

PP 22691

Numerous, very intensely plum-colored, double flowers. Performs well in heat and humidity.

## TROPICANA

Large clear coral orange blooms with sweet fruity fragrance.
