# New Plants 2026

# *About Medford Nursery*

Medford Nursery has been a proud member of the Robert Baker Family of companies since 1980. We are a wholesale grower operating on over 400 acres in central New Jersey. Medford Nursery services the finest independent garden centers and re-wholesalers in the Mid-Atlantic, Northeast, and upper Midwest markets.

Medford Nursery grows exceptional shrubs, perennials and roses. We work closely with our branded partners to offer a wide selection of plants. Medford Nursery features the newest and most exciting varieties available on the market as well as the tried and true favorites.

Above all, we have the highest level of customer service in the industry. We have an on-the-road salesperson in all of our shipping regions that will respond quickly to your needs. Our Inside Sales and Customer Service team is second to none. We pride ourselves on the relationships we maintain with our long-standing customers.

Medford Nursery is excited to introduce our latest brand partner:

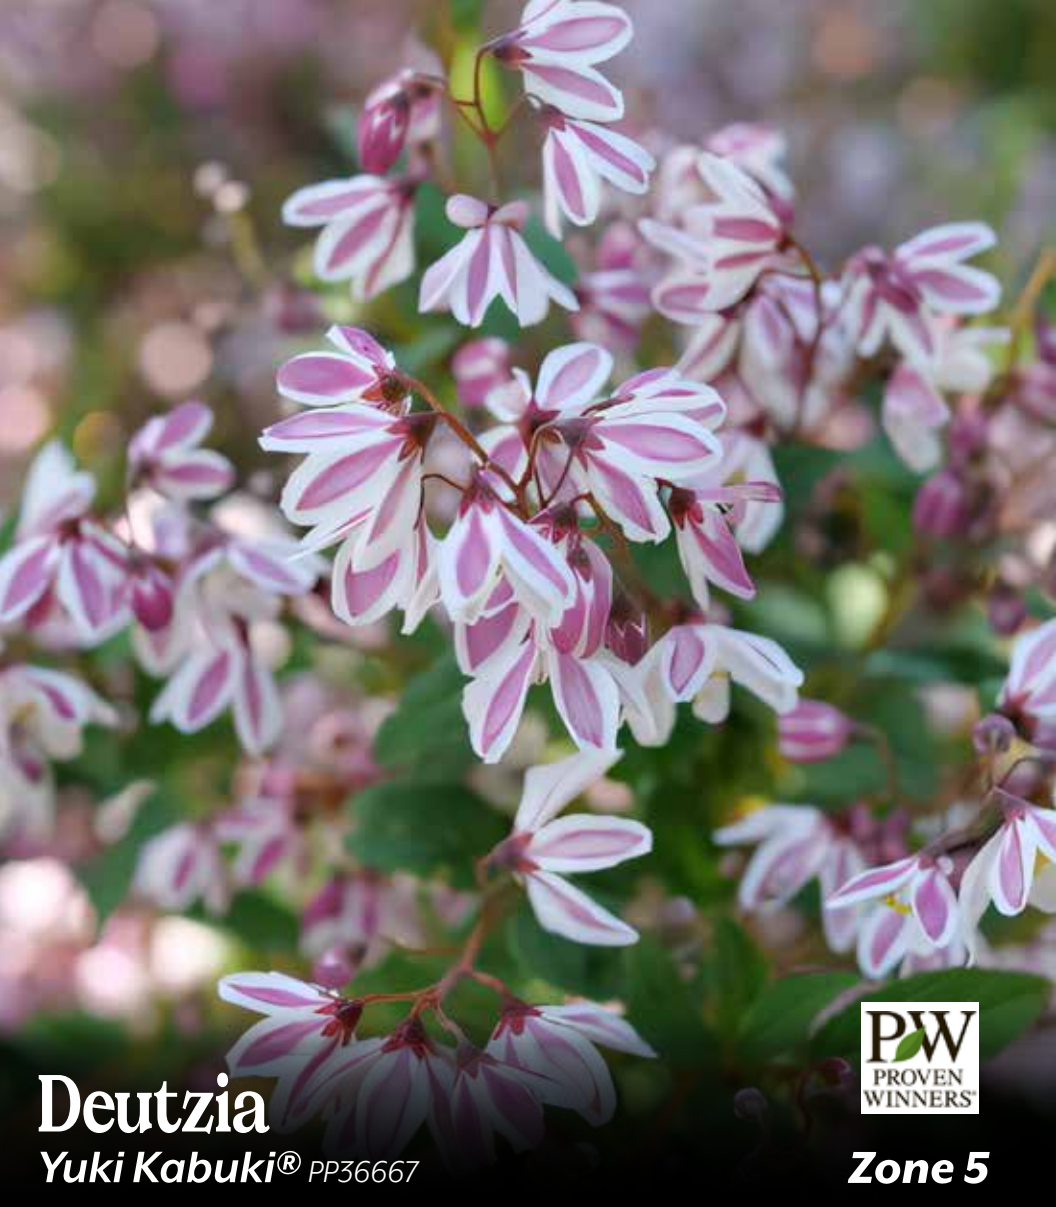

This unique collection features stunning, low-maintenance plants in eye-catching signature blue pots. Hardy, disease-resistant varieties, providing natural beauty with year round interest.

To find our latest brand partner look for this logo throughout the book!

# *Shrubs*

Medford Nursery brings you the newest, most exciting  
Shrub selections to today's market.

## Abelia mosanensis

Sweet Emotion Blaze® PP36844

**Zone: 4**

Hardier and more fragrant than any other Abelia! Fills the air with the sweet scent of jasmine.

## Deutzia

Yuki Kabuki® PP36667

**Zone: 5**

Very low maintenance. Keeps tidy, round habit with masses of tiny pink and white blooms in spring, followed by a tide of bright fall color.

## Diervilla

Kodiak® Red 2.0 PP35792

**Zone: 3**

One of the toughest landscape plants around! Tolerates sun or shade and problem soils. Non-invasive. Beautiful red foliage in fall!

## Cornus alba

Sgt. Pepper® PP34377

**Zone: 3**

Incredible seasonal interest! In spring, a refreshing bright green and cream with hints of pale pink on the margins. In autumn, the whole plant erupts into a fabulous burgundy and hot pink duo.

## Diervilla

Kodiak Jet Black® PP36846

**Zone: 3**

High contrast, foliage is nearly black and stays rich and consistent throughout the growing season. Come summer, vivid yellow flowers draw equally colorful pollinators in for a feast.

## Euonymus alatus

Fire Ball Seedless® PPAF

**Zone: 4**

Sterile and non-invasive. Stays very manageable in size with durable color and ease of growth and maintenance.

## Hibiscus

*Pollypetite® PP29105*

### Zone: 5

Naturally grows with a dwarf, rounded habit without pruning! Stunning contrast between dark foliage and bright lavender blooms.

## Hydrangea arborescens

*FlowerFull® PP35613*

### Zone: 3

FlowerFull® Hydrangea offers superior genetics with more blooms and sturdy, upright stems that resist flopping in wind and rain.

## Hydrangea macrophylla

*Cherry-Go-Round® PP34379*

### Zone: 5

Abundant large, rounded clusters up to 8 inches in diameter with luscious red flowers that get darker in color as they age rather than fading.

## Hydrangea macrophylla

*Eclipse® PP34544*

### Zone: 5

Stunning dark purple leaves that are almost black with contrasting reblooming mophead flowers. Eclipse® is sure to impress and stand out!

## Hydrangea macrophylla

*Grin and Tonic™ PP35207*

### Zone: 5

Bright and lively rebloomer with flowers emerging lime green and maturing to a refreshing bright white.

## Hydrangea macrophylla

*Tilt-A-Swirl® PP26426*

### Zone: 5

Whimsical bicolor flowers transform into new red and green variations from spring to autumn creating a show-stopper!

**Hydrangea serrata**  
*Tuff Stuff Top Fun® PP35034*

**Zone: 4**

Bold lacecap blooms are supported by bright burgundy stems. Brimming with color, fun, and continuous blooms!

**Ilex glabra**  
*Strongbox® PP30147*

**Zone: 5**

Exciting alternative to boxwood with a naturally rounded shape, fast growth and lush, dense look that resists winter burn.

**Leucothoe fontanesiana**  
*Paisley Pup® PP35833*

**Zone: 5**

Broadleaf evergreen filled with eye-catching variegated foliage in shades of pink, green, cream, and bronze.

**Rhododendron cat.**  
*Dandy Man Color Wheel® PP31150*

**Zone: 5**

Blooms start out as lipstick-red buds and open to reveal large, ruffled blooms with deep pink undersides and soft pink insides. The blooms age to a pure, clean white before falling off.

## Rhododendron cat.

*Dandy Man® Purple* PP26976

**Zone: 4**

A durable landscape feature with a big presence! Dense branching and a large mature size with fluffy clusters of electric pale lavender blooms. Hardy in Maine, New England and New Hampshire.

## Schizophragma hydrangeoides

*Flirty Girl®* PP31720

**Zone: 5**

Hydrangea vine with an abundance of lightly fragrant, creamy blooms. New growth emerges purple, which adds to its charm in the landscape. Grows quickly and produces flowers readily.

## Spiraea japonica

*Little Spark®* PP30819

**Zone: 3**

Compact size with orange new growth that holds its yellow leaf color throughout the summer, even when planted in full sun. Fall color includes shades of pink, creating a multi-toned effect.

## Schizophragma hydrangeoides

*Rose Sensation™*

**Zone: 5**

Elegant and distinctive, a great choice for gardeners who want something a little different in their landscapes. This is a showier variety with larger deeper pink sepals in June and July.

## Spiraea japonica

*Rainbow Fizz™* PP28876

**Zone: 3**

The pop and fizz of color combinations throughout the season is both surprising and fun. Compact and easy to grow.

## Thuja occidentalis

*Tater Tot® PP30761*

### Zone: 3

Naturally grows as a tidy little globe of fragrant, evergreen foliage. It's quite tolerant of shade, so you can plant it just about anywhere and enjoy year-round beauty from this easy care shrub.

## Syringa

*Bloomerang® Ballet PP35934*

### Zone: 3

An abundance of frilly pink blooms in the spring, and a gorgeous rebloom performance from late summer into fall. Strongest rebloomer yet! Beautifully fragrant.

## Weigela

*Electric Love® PP30065*

### Zone: 4

First dark-leaved Weigela with true-red flowers on the market! Shockingly vibrant red bell flowers cover dark foliage for a unique look and rich contrast.

## Weigela

*Tuxedo™ PP26842*

### Zone: 4

Adds a classy elegance in compact form, with a striking contrast of true-white flowers against dark green foliage.

# *Natives*

**Carex cherokeensis**  
*Cherokee Sedge*

**Zone 6**

## **Amsonia** *hubrichtii*

### **Zone: 4**

Adds a billowy, fine textured element to the landscape. It grows into a dense mass, much like a small shrub. The cool blue flowers attract butterflies. Stunning golden fall color.

## **Eragrostis spectabilis** *Purple Love Grass*

### **Zone: 5**

Grows low to the ground in dense tufts. In late summer the fine-textured, stiff inflorescence appears at ground level. Eventually this inflorescence breaks off and floats around like a tumbleweed.

## **Carex cherokeensis** *Cherokee Sedge*

### **Zone: 6**

Attractive, slow spreading clumps of 6-12" tall, fine-textured, narrow, deep green leaves. Wheat-like seed spikes mature in autumn.

## **Erigeron pulchellus** *var. pulchellus* *Lynnhaven Carpet*

### **Zone: 3**

Praised for it's ability to spread as a low-growing, texturally interesting groundcover over notoriously difficult terrain. Pollinators love it's showy flowers in spring.

**Helictotrichon sempervirens**  
*Blue Oat Grass*

**Zone: 4**  
A medium-size, clump-forming grass with lovely blue-gray, fine-textured foliage. Airy flowers rise 2' above the leaves in late spring. Makes a stunning accent in a sunny border.

**Phlox subulata**  
*Spring Blue Moss Phlox*

**Zone: 3**  
Blushed lavender-blue dainty flowers that completely covers soft needle foliage when in bloom. Ideal for groundcover or to cascade over rocks.

**Phlox subulata**  
*Spring Hot Pink Moss Phlox*

**Zone: 3**  
Bright hot pink dainty flowers that completely covers soft needle foliage when in bloom. Ideal for groundcover or to cascade over rocks.

**Phlox subulata**  
*Spring Purple Moss Phlox*

**Zone: 3**  
Bright purple dainty flowers that completely cover soft needle foliage when in bloom. Ideal for groundcover or to cascade over rocks.

**Baptisia**  
*Golden Anniversary* PPAF

**Zone 4**

# *Perennials*

From cutting-edge varieties to standout garden performers,  
Medford Nursery introduces the most exciting new  
Perennials to today's market.

## Achillea millefolium

*Skysail Fire*

**Zone: 3**

Long flowering period, drought tolerant with bold captivating color makes this moderate sized Achillea an instant favorite in the garden.

## Aster dumosum

*Aurora Purple*

**Zone: 5**

Deep violet blooms in late summer and fall. The tidy, compact, rounded form becomes fully covered with the vibrant flowers, creating a mass of impressive color.

## Baptisia

*Golden Anniversary PPAF*

**Zone: 4**

A color breakthrough as the first commercially available Baptisia combining both indigo blue flowers and golden yellow foliage.

## Agastache hybrida

*Honeysticks Purple*

**Zone: 4**

Intense, abundant dark flowers that attract a multitude of pollinators and hummingbirds with vibrant, aromatic fragrance.

## Aster dumosum

*Aurora White*

**Zone: 5**

Cheerful white blooms with bright yellow centers that are naturally tidy, and compact with a hardy garden performance.

## Baptisia

*Honey Roasted PP34707*

**Zone: 4**

Long 10" spikes of dark mahogany flowers that have bright yellow stems, producing a wonderful bicolor effect. The bushy habit blooms early in the growing season. Flowers lighten to yellow as the flowers mature.

## Bergenia

### *Pink Dragonfly™*

**Zone: 4**

Compact with brilliant purple winter color, erupting in spring with luscious bright pink flowers.

## Bergenia cordifolia

### *Vintage™ Bouquet*

**Zone: 4**

Bold, low-growing rosette of large, glossy green leaves sends up an abundant display of light fuchsia-pink flowers on sturdy red stems.

## Brunnera macrophylla

### *Sea Heart PP24684*

**Zone: 3**

Luminous thick foliage will keep on going until hard frost! Stands up to heat and humidity.

## Campanula glomerata

### *Angel Bells PP31465*

**Zone: 3**

A spectacular floral show over dense mounds of green foliage with blooms lasting late spring through early summer.

## Campanula glomerata

### *Bells and Whistles PP36936*

**Zone: 3**

Stunning late bloomer with eye-catching bold violet-blue blooms in a very upright, tidy shape.

## Coreopsis

### *Bengal Tiger PP25345*

**Zone: 5**

Reliable performer with masses of cheerful golden-yellow flowers with clear red eyes blooming from early summer to mid-fall.

# Campanula carpatica

# Mini Marvels™

## Mini Marvels™ Midnight PPAF

### Zone: 3

Exceptionally compact, perfect for tucking into small areas or lining the front of a border.

## Mini Marvels™ Starbright PP36638

### Zone: 3

Crisp blooms with a neat and tidy habit attracting butterflies, hummingbirds and bees.

## Mini Marvels™ Twilight PPAF

### Zone: 3

Produces stunning white to blue ombre flowers that last all summer. Adored by pollinators.

# Coreopsis auriculata

# Leading Lady™

In 2024, we introduced Coreopsis Leading Lady™ Charlize, named after Charlize Theron. We were impressed with the bright, vivid color and exceptional long bloom time. In 2026, we are thrilled to introduce more exciting varieties to complete the Leading Lady™ Coreopsis collection. **Leading Lady™ Lauren, named after Lauren Bacall;** stuns with golden eyes, true yellow petals and emerald green foliage. **Leading Lady™ Iron Lady, named after Margret Thatcher;** boldly stands with bright yellow-orange bicolored flowers. **Leading Lady™ Sophia, named after Sophia Loren;** radiates with masses of large, showy flowers all summer long. These Coreopsis are all early flowering with extreme heat and humidity tolerance. Sure to impress in any garden or landscape!

**Leading Lady™ Iron Lady**

**Leading Lady™ Lauren**

**Leading Lady™ Sophia**

**Zone 4**

## **Coreopsis grandiflora** *Moonswirl Imp.*

### **Zone: 4**

Semi-double luminous, deep golden-yellow petals resemble a marigold, providing a long season of color.

## **Delosperma** *King of Desert™ Gold*

### **Zone: 6**

Drought tolerant succulent that produces hardy bright yellow flowers.

## **Delosperma** *King of Desert™ Peach*

### **Zone: 6**

Hardy, large flowering variety with vibrant peach to white flowers.

## **Delphinium elatum** *Violets are Blue PPAF*

### **Zone: 3**

Tall, eye-catching presence in the garden, adding vibrant color to sunny borders. Its sturdy stems stay upright on their own, making it an easy-care option. A magnet for bees and butterflies.

## **Dicentra spectabilis** *Hearts on Fire PPAF*

### **Zone: 3**

This new twist on a garden classic is a showstopper in the early season garden! Dark colored stems contrast beautifully with the bright foliage. True red flowers appear in late spring.

# *Echinacea* Kismet®

*Kismet® Intense Orange*  
PP28769

*Kismet® Pink Lemonade*  
PPAF

*Kismet® Raspberry*  
PP28768

*Kismet® Red*  
PP29743

## **Zone: 4**

A collection of vigorous, easy care Echinacea, bred for sturdy stems and a very long bloom season.

## Echibeckia™ Summerina® Sunreef™

### Zone: 7

Compact plants produce impressively large blooms. Dried flower heads attract fall song birds.

## Echinacea Sweet Sandia

### Zone: 4

A sweet celebration of summer. The petals look like slices of watermelon, with deep pink centers and light green edges. Flowers prolifically on a compact habit.

## Echinacea x hybrida Sombrero® Mandarin Mambo

### Zone: 4

Amazing, next level flower coverage and petal overlap on a uniform habit. Bold, bright orange flowers fade to a lovely peach color.

## Echinacea Double Dipped® Jamberry PPAF

### Zone: 4

Cheerfully bright, mandarin orange double flowers that mature to coral pink. Strong well branched stems support the large, numerous flowers with ease.

## Echinacea purpurea Guatemala™ Gold

### Zone: 4

A very short and compact variety with golden yellow blooms. The low foliage creates a dense mound that the flowers sit just above. Blooms earlier than most.

## Echinacea x hybrida Sombrero® Poco™ Hot Coral PP23097

### Zone: 4

Sturdy, compact plant with outstanding bloom coverage, excellent branching and exceptional winter hardiness.

## **Gaura lindheimeri**

*Passionate Rainbow PP17002*

### **Zone: 5**

Graceful spikes of pink flowers and bright tricolor foliage make a fabulous accent plant with a more tidy and compact size.

## **Heliopsis helianthoides**

*Rays for Days PPAF*

### **Zone: 3**

Incredibly dense, large, fully double flowers make this variety the most floriferous selection to date. Excellent heat and drought tolerance.

## **Heliopsis helianthoides**

*Touch of Blush PPAF*

### **Zone: 4**

Charming pink tones that appears on new foliage, accenting nicely with the bright white variegation. Semi-double yellow flowers have multiple layers of overlapping petals. Long blooming and heat tolerant.

## **Heliopsis helianthoides**

*Athena Gold™*

### **Zone: 3**

A very compact False Sunflower with sunny yellow flowers. An excellent choice to keep pollinators happy and add color to the middle or front of the border.

## **Heliopsis helianthoides**

*Sundial PPAF*

### **Zone: 3**

Striking color contrast creates a vibrant display of showy, eye-catching blooms that boast mildew resistance and cold hardiness.

## **Heuchera**

*City™ Shangai PP21859*

### **Zone: 4**

Noted for having the best foliage through the worst weather, tight mounds of silvery-purple leaves set forth white flowers on dark stems.

## Heuchera

*City™ Tokyo PP27363*

**Zone: 4**

Amazingly tough through hot weather with stark eye-catching contrast of lime green foliage and showy bold red blooms.

## Hosta

*Shadowland® Chance Encounter PP36151*

**Zone: 3**

New fun Hosta with heart shaped powdery blue leaves with a wide gold margin.

## Lavandula angustifolia

*Sweet Dreams™ Blue PP30171*

**Zone: 5**

Strong, well-branched plants provide deeper blue flowers, superior fragrance and better summer performance compared to other English Lavender.

## Heuchera

*Dolce® Sultry Night PPAF*

**Zone: 4**

Ruffled foliage is black with a purple overlay. Leaves emerge glossy in spring and hold their rich, deep tones through the entire season.

## Kniphofia

*Pyromania® Solar Flare PP32073*

**Zone: 5**

Bring unique drama to your landscape with the spiky flowers and upright habit of this perennial. Bright sunny yellow flowers are produced over grass-like foliage.

## Leucanthemum

*Sweet Daisy® Chloe*

**Zone: 4**

Upright powerhouse bloomer that flowers 12-18 weeks for a unstoppable summer show.

**Leucanthemum**  
*Sweet Daisy® Kylie*

**Zone: 4**

Upright and cheerfully bright flowers that grow above aging blooms, always keeping a fresh look.

**Leucanthemum maximum**  
*Sweet Daisy® Rebecca*

**Zone: 4**

Bold, semi-double flowers with upright mounding habit. New blooms grow above aging ones, keeping plants looking fresh.

**Leucanthemum x superbum**  
*Make My Daisy® Crazy PP35074*

**Zone: 5**

This nostalgic plant with improved flower coverage is a great choice for pollinators, making an excellent addition to any garden.

**Leucanthemum x superbum**  
*Lemon Puff™ PP31455*

**Zone: 4**

Delightful double flowers with soft lemon yellow petals and darker golden yellow centers. Compact plant with a tight, low habit. Incredible flower power with a profusion of blooms.

**Nepeta**  
*Serene Lilac*

**Zone: 4**

Compact in size with bold, upright blooms giving a heavy flowered look in a neatly mounded shape.

**Nepeta subsessilis**  
*Prelude™ Purple PP33997*

**Zone: 4**

This stunning purple Catmint produces fragrant foliage and delightful blooms throughout spring and summer.

## **Paeonia hybrid**

*Bowl of Beauty*

**Zone: 4**

Lovely fuchsia-pink petals create a bowl around the pale lemon yellow center of each bloom. The stunning spring flowers are displayed on sturdy, upright stems above the lush green foliage.

## **Paeonia lactiflora**

*White Cap*

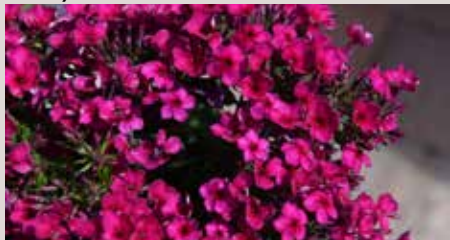

**Zone: 3**

Stunning Peony variety known for its unique two-toned flowers and fragrant blooms, making it a beautiful addition to any garden.

## **Phlox paniculata**

*Early® Cerise*

**Zone: 3**

Earliest flowering upright Phlox in a unique cerise color.

## **Paeonia lactiflora**

*Black Beauty*

**Zone: 3**

Dazzling, wine red Peony will sparkle like a jewel in your early summer garden. Blooms are packed with silky petals and incredible fragrance, sure to lure butterflies and hummingbirds around.

## **Phlox paniculata**

*Early® Pink*

**Zone: 3**

Earliest flowering upright Phlox. Large clusters of fragrant, bright pink flowers with darker pink centers.

**Phlox paniculata**  
*Early® White*

**Zone: 3**

Earliest flowering upright Phlox. Crisp white blooms with superior disease resistance.

**Phlox subulata**  
*Bedazzled Pink PP32063*

**Zone: 4**

Beautiful mid-spring bloomer with a rounded spreading habit. Heat and drought tolerant with self cleaning continuous blooms.

**Pulmonaria**  
*Dark Vader*

**Zone: 4**

A striking hybrid Lungwort known for its dark green, silver-spotted foliage and vibrant spring flowers in shades of blue, purple, and pink.

**Salvia nemorosa**  
*Noble Princess*

**Zone: 3**

Compact habit with extra large, impressive, deep magenta flowers. Butterflies are sure to adore.

**Rudbeckia**  
*Treasure Trove PP36594*

**Zone: 4**

An impressive bounty of large, star shaped, golden yellow flowers with eye-catching contrast and cheery color from mid-summer to early fall.

# *Saxifraga* *x arendsii* Scenic Series

*Scenic Apple Blossom*

*Scenic Pink*

*Scenic Red*

*Scenic White*

## **Zone: 3**

Abundant, large flowers in shades of red, pink and white on compact alpine plants that maintain their habit and continuously bloom throughout the early spring.

## Sedum

*Puff Pastry™ Raspberry PPAF*

**Zone: 4**

Just like a perfectly baked puff pastry, this Stonecrop stands tall and strong, presenting a delightful display of raspberry red flowers.

## Sedum

*Puff Pastry™ White Chocolate PPAF*

**Zone: 4**

Strong upright form doesn't split and supports creamy white-yellow flowers which age without turning brown.

## Thalictrum

*Cotton Ball PPAF*

**Zone: 5**

Dense pillar of fine textured foliage and flowers, perfect for adding height to narrow spaces. Dark stems add contrast to wispy sprays of white flowers.

## Thalictrum

*Cotton Candy PPAF*

**Zone: 5**

Wispy lavender flowers that give an elegant texture and eye catching color in late spring. Very attractive to butterflies.

## Verbascum

*Sugar Plum PPI6224*

**Zone: 5**

Show-stopping lavender blooms with a deep purple eye. Drought tolerant and low-maintenance.

## Vernonia

*Prairie Princess PP36918*

**Zone: 4**

A more compact variety with fuller foliage and sturdy stems. Late summer bloomer with rosy-purple flowers that butterflies can't resist!

# Grass

## **Festuca arundinacea** *Perfect Edging*

### **Zone: 3**

Striking variegated foliage that is excellent for soil conservation and erosion control.

# Fern

## **Athyrium filix-femina** *Fronds Forever PPAF*

### **Zone: 3**

A vigorous crested fern! At maturity, individual leaves are flat with cresting along the edges and a large tassel at the end of each frond.

# Landscape Roses

## **Drift®**

*Scarlet Drift® PP36994*

### **Zone: 4**

Compact groundcover rose with single red flowers appearing early and reblooms consistently.

## **Knock Out®**

*Easy Bee-zy™ Knock Out® PP35465*

### **Zone: 4**

Flower power like no other with fragrant yellow flowers that bloom repeatedly from spring to frost.

## **Knock Out®**

*Orange Glow™ Knock Out® PP35826*

### **Zone: 4**

Orange flowers that bloom repeatedly from spring to frost. Low maintenance upright, bushy habit.

## **Oso Easy**

*Oso Easy Ice Bay® PP28197*

### **Zone: 4**

White petals with golden stamens in the center, this rose provides a big presence. Blooms throughout the summer.

## **Oso Easy**

*Oso Easy Red Stripe®*

### **Zone: 4**

Swirled blooms of red and pink with white stripes, standing out against dark green foliage. Vigorously reblooming throughout the summer.
